You have a choice of different styles of accommodation at Bainland - Superior and attractive bungalows or the spacious Forester Caravans.

Bainland Country Park is the ideal place for a break from it all. Our Holiday Bungalows are set in a quiet area of the park, many overlooking the greens of our 18 hole golf course. Each bungalow has its own parking outside.

All park facilities (swimming, golf etc) are included in the price for those staying in either Bungalows or the Caravan Holiday Homes.

Tariff is inclusive of gas, electricity, bed linen, cleaning and VAT. All our bungalows have full central heating. All accommodation includes cutlery, crockery utensils, bedding and towels. Cot linen is provided.

The dates highlighted indicate our busiest periods, when the number of guests wishing to use the swimming pool may exceed the recommended maximum capacity. At such times it will be necessary to operate a session system in the pool of 1 - 1 1/2 hours in safety and comfort. We appreciate your co-operation.

Deposit payable on booking, full balance to be paid 4 weeks prior to arrival. Arrival on the day after 4pm. Departure by 10am. Cancellation insurance available on request.
